Re: Sidewalk Projects 2018

1. OVERVIEW

The town has three sidewalk projects that are shovel-ready, and one project that is shovel-ready, except for property acquisition.

We currently have \$300,000 allocated for sidewalk projects – monies from FY2018 & FY2019.

The estimate to complete the four projects is \$702,510.

The projects include:

- Grey Rd
- Spring St
- Delburg St
- Catawba Ave

We are seeking input on which project(s) to start, and potentially how to fund them.

2. RELATED TOWN GOALS

Core values:

Citizens need to move easily throughout the town and region, so government will provide a variety of options, such as sidewalks, bike paths, greenways, connected streets, and transit.

Strategic Plan:

Goal 7 Mobility/Transportation - The Town of Davidson will enable citizens to move freely throughout town via transit, car, bicycle, and on foot.

Constituent served:

All citizens.

3. OPTIONS/PROS & CONS

There are 3 options:

Option 1:

Allocate fund balance to build Grey Rd and Spring St sidewalk

Option 2:

Allocate fund balance to fund Delburg & Catawba sidewalk construction

Option 3:

Some other option

4. FYI or RECOMMENDED ACTION

All the projects are worthwhile. Grey Rd has been in process longer than the others, and is a more dangerous walking environment than the others.

5. NEXT STEPS

Determine projects to be funded and bid out
